The defending champion (Eric Brady) and one player from each age division will qualify for the shootout. TYGA reserves the right to alter the above divisions due to field size. The next lowest three scorers not otherwise qualifying will also be entered into the shootout for a total of 11. Ties for age division winners or spots in the shootout will be broken with a closest to the hole contest on hole #1 as soon as the need is identified. Players are responsible for making themselves available. The shootout will consist of all players playing the first hole with the two high scorers eliminated. Ties for elimination will be broken with pre-determined closest to the hole shots from around the putting green. Starting with the second hole, the shootout will eliminate one player per hole until there is one player left, who will be declared the champion after play of the ninth hole. Trophies will be awarded to all players who qualify for the shootout.
